Ms. Roche Casipong
HR Recruitment
Jairosoft, Inc.
Holy Trinity Avenue, Holy Trinity Village
Cabantian, Davao City

Dear Ms. Casipong,

I am writing to express my interest in an internship opportunity at Jairosoft. As a third-year Computer Science student at the University of Mindanao, I have developed a solid foundation in both frontend and backend development, mobile development, digital marketing, content creation, and data analysis.

In my previous role as an E-Commerce Virtual Assistant at FY International LLC, I gained valuable experience in product research, listing optimization, and content marketing for platforms like Walmart and Amazon. Additionally, my internship at Cabantian Barangay Hall enhanced my customer service and administrative skills.

I am inspired by Jairosoft's creativity and dedication to delivering cutting-edge web solutions. I am eager to contribute my diverse skills and enthusiasm for technology to your team, helping to drive innovative projects forward.

Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to Jairosoft.

Sincerely,

James Paul S. Balagat
